

Drivers contract

Hereby I declare that:

I am the driver of the BeerBike.

I am 18 years of age or older.

I have a valid drivers licence B in my name.

I will not be under influence of any substances that could influence my driving skills in any way. In any violation of these rules I will be personally held accountable when anything goes wrong or is damaged.

I will operate the Beerbike in the safest way possible and not take any risks.

I am responsible for the operating of the bike and the person to talk to in any case.

I will not cause any nuisance, (not play the music too loud, not yell at people,...) and am responsible for the behaviour of the group on the beerbike.

As the driver of the beerbike, I know the traffic rules and will obey them.

I will make sure nobody drives the beerbike that didn't sign this document.

I will make sure that even if a person did sign this document, but is in violation of one or more of the rules above, this person will no longer drive the beerbike.

If more than one person wants to drive the beerbike they should fill out this form or a copy of this form as well.
